CONTENTS

01	ABOUT Learn more about our commitment to quality, innovation and customer satisfaction.	02
02	RAPIER ROD High precision rapier rods for smooth and efficient weaving performance.	03
03	RAPIER HEAD Engineered for speed, accuracy and long lasting durability.	08
04	SCISSORS Precision cutting parts designed for maximum efficiency.	19
05	KNIFE CARRIAGE Robust and reliable knife carriages for consistent performance.	32
06	PULLEYS High quality pulleys for smooth power transmission.	33
07	ROPE WHEEL Durable rope wheels for optimal motion and control.	34
08	Jacquared Parts Specialized parts for jacquard weaving systems.	35
09	ACCESSORIES A wide range of accessories for enhanced productivity.	36

ABOUT **PERFECT CARBON**

PERFECT CARBON specializes in the production of premium spare parts for carpet weaving machinery.

With years of industry experience and a strong focus on innovation, we deliver carbon rapier components that ensure superior performance, extended service life, and maximum efficiency.

Our products are manufactured using high-quality carbon materials and advanced technology, guaranteeing precision, reliability, and consistency in every part we produce.

We are proud to be a trusted partner for weaving mills worldwide, providing solutions that keep your machines running at their best.

PREMIUM QUALITY

High-grade carbon materials and strict quality control.

PRECISION ENGINEERING

Advanced manufacturing for perfect fit and performance.

LONG LASTING

Designed for durability and extended service life.

GLOBAL TRUST

Reliable solutions for weaving mills worldwide.
